

Layout and Style Instructions for Posters and Workshops

(There are the same as for previous ISKO International Conferences)

The deadline for receiving your Poster or Workshop text is **January 15th, 2018**. Texts received after this date will not be included in the conference proceedings. Your text should not exceed **3 pages (~1500 words)** in length and written in English.

The manuscript should be concise and should conform to professional standards of English usage and grammar. Authors whose native language is not English are encourage to make use of professional academic English-language proofreading services, such as Vulpine Academic Services (vulpineacademic@gmail.com).

You are required to send an electronic copy in .doc format to iskoport2018@gmail.com informing, in the body of the email message, your and co-authors' names, institutional affiliation, mailing addresses, phone number, and e-mail addresses as you want this information to appear in the list of contributors at the end of the proceedings.

In order to ensure format consistency, please follow the instructions below:

1 General parameters

- Text format: A4 (21 x 29.7 cm)
- Margins: top 5.15 cm, bottom 5.5 cm, left/right 4.3 cm Header: 4.2 cm Footer: 0 cm
- Font: Times New Roman
- Main text: 10 pt, justified (left and right) with 1st line indent at 0.4 cm
- Text of tables, figures, notes, block quotations, and abstract: 8 pt
- Tables and figures: centered
- Captions: 9 pt, centered above table or figure, numbered, 1 blank line before
- Page numbers: within header, align center, font size 10 pt (1st page not paginated)

2 Basic format

- In the upper left corner give the name(s) of the author(s). In 11 pt bold face type
- Leave 1 blank line
- Beginning at the left margin give the title of the paper in upper and lower case, 14 pt bold face type
- Leave 1 blank line
- Continue with the text, in 10 pt type face, with line spacing set at multiple 1.15 pt throughout with no blank lines between paragraphs in the same section
- Indent all paragraphs by 0.4 cm
- Structure your text with headings in 10 pt. bold face type and number the headings with Arabic numbers if desired
- Precede all headings with 1 blank line

- 3 **Stressing of words.** This can be done by using italics. Do not use bolding or underlining in the text.
- 4 **Figures and Tables.** Every figure or table should be numbered and given a brief descriptive caption above (in 9 pt type), explaining its meaning. Use 8 pt. type for text in figures and tables. Please make sure your figures are clear and sharp. Figures should also be sent separately as high resolution JPEG files.
- 5 **Block quotations** should be in 8 pt type with left/right margins set to 0.4 cm extra.
- 6 **References** and bibliographic data should be given parenthetically in the text, listing the author's last name and year of publication. For example: (Smith, 1997); add page numbers where appropriate, e.g. (Jones, 2006, 88-103).

Full bibliographic data should be given in a section labeled "References" and should be placed at the very end of the paper. The bibliographic form used should be one which you are comfortable with and consistently applied. If you need assistance on this, we recommend Chicago, but PMLA, APA etc. could be adopted.
